

Caribbean Migration: Globalized Identities

Content

Caribbean Migration: Globalized Identities by Mary Chamberlain.

...

This anthology represents important and original directions in the study of Caribbean migration. It takes a comparative perspective on the Caribbean people's migratory experiences to North America, Europe, and within the Caribbean. Using a multi-disciplinary approach, the book discusses:

- * the causes of migration
- * the experiences of migrants
- * the historical, cultural and political processes
- * issues of gender and imperialism
- * the methodology of migration studies, including oral history.
