**Legacies: A Corean Chronicles Novel by Modesitt L. E. Jr..**

...

***Legacies*, book one of the Corean Chronicles, begins a new epic fantasy series by L. E. Modesitt, Jr., author of the bestselling Saga of Recluce. Enter this new and exciting world.**

Millennia ago, a magical disaster caused the fall of a civilization, the end of a golden age. New civilizations emerged from the ancient destruction and chaos, knowing little of the past or the disaster. Corus today is a world of contending countries, humans, and supernatural creatures. It is a place of magical powers, and of a few people who are talented enough to use them.

Alusius is drafted into the local Militia and must fight against the invading slave armies of The Matrial, an immortal ruler in a nearby land. If the evil surrounding The Matrial is not brought to an end, the world as he knows it could very well end.
