**The Art of Electronic Futures Trading: Building a Winning System by Avoiding Psychological Pitfalls by William S. Kaiser.**

...

Strategies to help electronic futures traders let intellect and instinct - not emotion and adrenaline - rule their trading Hot on the heels of electronic stock trading, electronic futures trading promises to be the next big wave. The Art of Electronic Futures Trading is the first comprehensive examination of the unique psychological aspects needed to successfully trade electronic futures - complete with real world feedback and pointers from actual traders! A multi-step personality test illustrates the four categories of trading style, pointing traders to the right style for their personalities. It then helps them build high-profit, personalized systems using elements that include: \*A 5-step plan for successful electronic futures trading \*Technical indicators to spot trending and sideways markets \*How using pattern recognition can lead to more profitable, disciplined trading
